CONNOR, CLARK & LUNN FOUNDATION DONATES OVER \$100,000 IN SUPPORT OF ORGANIZATIONS IMPACTED BY COVID-19

June 10, 2020

The Connor, Clark & Lunn Foundation (CC&L Foundation) is pleased to announce it has provided additional donations to organizations across the country to support their efforts during COVID-19. To date, the CC&L Foundation has donated over \$100,000 in support of frontline health care workers, food banks and the communities in which we live and work.

Donations were provided to the following organizations:

As we continue to grapple with the unprecedented impacts of COVID-19, this support will benefit the health and safety of Canadians and provide necessary resources to serve our communities and aid some of our most vulnerable populations. The charities were chosen following a thoughtful process, taking into consideration geographic location and the nature of the initiatives in which we were supporting.

During this challenging time, we must continue to support our communities, front line workers, and the organizations that are doing their part to keep us safe and well and combat COVID-19.
